ORDER

THIS MATTER having come before the Court on plaintiffs' motions for attorney's fees, costs, and service awards (ECF No. 146) and for final approval of the class action settlement (ECF No. 154); and the Court having conducted a final fairness hearing on November 3, 2025 (Hearing) (ECF No. 159); and counsel having made additional representations during the Hearing concerning efforts made to cure technically invalid exclusion requests; and counsel having submitted a revised proposed order increasing the number of valid, accepted exclusions from 339 to 370 (ECF No. 158; ECF No. 160); and for the reasons stated on the record during the Hearing and the Court's oral opinion following the Hearing;
